Microsoft partners with Kivulo Solutions to make ELMS for DreamSpark WebStores available for distribution of Microsoft DreamSpark software through an agreement between your academic institution and Microsoft. Here, eligible students, faculty and staff can download Software Licensed under the DreamSpark Program. If you encounter any difficulties or would like to request an account, please see the Help section for answers to your questions and information on how to contact the DreamSpark Program Administrator on your campus.

Step 4: After you login, you will see a page which lists the different software that can be downloaded.

Choose the software you would like to download by clicking the icon.

Step 5: Click the “Add to Cart” button. Please note there is an “Available to” line, which lists who that software is available to. If the software lists it is available to students, you may download it.

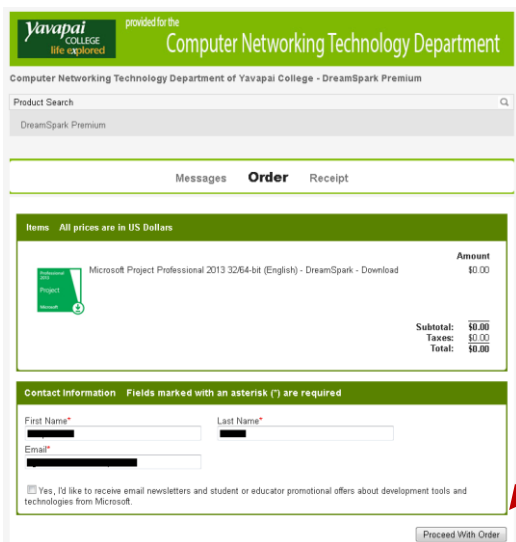

Step 6: Click the “Check Out” button.

Step 7: Accept the Terms & Conditions.

Step 8: Click “Proceed with Order” to confirm the order.

Step 9: Click the “Start Download” link on the receipt.

The screenshot shows a receipt page with a green header containing 'Messages', 'Order', and 'Receipt'. A notification states: 'Your order has been placed and a confirmation email will be sent to you shortly. You may want to print this page for your records. Detailed information about all of your orders can be found under Your Account.' Below this are two summary boxes: 'Order Summary' (Order Date: 2014-07-16 5:57 PM, Order Number: [redacted]) and 'Order Information' (Name: [redacted], Email: [redacted]). A 'Start Download' button is highlighted with a red arrow. The main items section lists 'Microsoft Project Professional 2013 32/64-bit (English) - DreamSpark - Download' for \$0.00, with instructions to burn the ISO/IMG file onto a disc. A 'Recommended For You' section shows a 'Backup disc - Microsoft Project Professional 2013' for \$13.95. A 'Continue Shopping' button is at the bottom right.

Step 10: Follow the instructions on the webpage that opens.
